## INFRACYTE® NITEFILL™

# TREAT YOUR LIPS RIGHT TONIGHT!

The most luxurious, ultra-lightweight and potent lip treatment pampers and transforms your lips overnight!

INFRACYTE NITEFILL is a non-injectable lip filler powerhouse that contains an extra-strength formula to target vertical lip lines, smile lines, and chapped lips! Powered by 5 Advanced Anti-Aging Peptides to renew lip skin cells, Hyaluronic Acid for an instant surge of deep moisturization, Powerful Antioxidants to protect against pollution, an Alpha-Hydroxy Acid to reveal younger, healthier skin and 10 Organic Oils to transform lips overnight!

By encouraging cells to mimic the behavior of younger skin, NITEFILL can dramatically diminish the appearance of lip wrinkles, and with sustained use, lips become smoother, more supple and more voluminous!

TURN BACK THE CLOCK AND REVEAL SOFTER, BRIGHTER AND MORE YOUTHFUL LOOKING LIPS!

## KEY INGREDIENTS

## THE 5 PEPTIDE COMPLEX

NITEFILL's 5 Peptide Complex contains Acetyl Hexapeptide-8, Pentapeptide-18, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, and Tripeptide-1 which work in synergy to stimulate cell renewal as well as collagen and elastin synthesis to rebuild lips and reduce the appearance of lip wrinkles

#### HYALURONIC ACID

Low Molecular Weight Hyaluronic Acid provides instant deep moisturization to rehydrate and replump parched lips

#### LACTIC ACID

This Alpha-Hydroxy Acid gently removes dead skin cells to reveal healthy, more youthful looking lips for softer, brighter lips!

#### ORGANIC OILS

With 10 organic oils, NITEFILL locks in moisture, conditions and protects the lips for more kissable lips!

#### ANTIOXIDANT COMPLEX

Protects the lips from damaging oxygen free radicals that cause premature signs of aging

#### **DIRECTIONS**
